OFFICE OF THE DEPUTY COMMISSIONER::: RI BHOI DISTRICT, NONGPOH

No.DDMA. RB/54/2018/7a

Dated Nongpoh, the 14<sup>th</sup> July, 2023

**Press release**

This is for general information to the public that the water level at Umiam dam is 3205.75 as at 8 A.M on 14/07/2023. The water from Umiam Dam might be released anytime in case there is further rise in water level in reservoir, above the safe level. People staying in the downstream of Umiam dam are requested to be extra cautious and are advised not to venture into river/streams so as to avoid any unfortunate incident and to stay away from streams, drains, culverts, etc.. In case of flood, people should stay away from electric poles or power lines to avoid electrocution.
